BA-2119	No Comment
Sp-1082	No Comment
BA-2125	Adhere to all farmland buffers and setbacks. Honor neighboring Qfarm with existing tree scape, Oak trees produce acorns after 20 years provide food to existing wildlife, in addition wildbrush creates food for birds wildlife
BA-13-05A-2	No Comment, please support Farmland in township
SP-1078A	Plan does not accurately depict farmland buffers, appears that buffer's documented are inconsistent with plans. How will animal welfare be protected?
SD-3007	Plans depict 30 foot side setback with no farmland buffer of 50 feet
BA08-24A	No Comment
