

HOWELL TOWNSHIP CLEAN COMMUNITIES  
“INTERNATIONAL COASTAL CLEANUP”  
NOVEMBER 3, 2018

Howell Township Clean Communities will be hosting our annual  
**“Clean Sweep”, November 3<sup>rd</sup> 2018**

**This year’s cleanup is in conjunction with the International Coastal Cleanup.**

Last year’s event was a huge success and we are expecting an even bigger turnout this year. Volunteers will meet at Town Hall at 9:30am for registration. Groups will be given a designated road to clean conducive to the children’s age along with gloves, bags and safety vests. Groups will return at approximately 12:30pm for a volunteer appreciation lunch.

This is a program that helps to keep our neighborhoods “clean and green”. The Clean Communities Program is looking for scouts, families, sport teams, church groups, business’; anyone who would like to volunteer just a couple of hours to make a difference in their neighborhood. All are encouraged to get involved within their community to keep a “clean and green” neighborhood. We are cleaning roads that are heavily traveled and hit hard with trash. Clean Communities is also interested in businesses cleaning and possibly adopting a jug handle.

All interested parties should contact Laurie Dunwoody at Town Hall (938-4500 x2452) or by email [ldunwoody@twp.howell.nj.us](mailto:ldunwoody@twp.howell.nj.us).

**Please register by October 20, 2018**

**For the Adopt-a-Road groups, please make arrangements to have supplies picked up earlier in the week. Supplies can be dropped off at Town Hall after your cleanup. Thanks for your cooperation.**
