

Internet Tips

1. NEVER give out your full name, your telephone number, the name of your school or your address over the Internet unless you have your parent's permission.
2. NEVER arrange a face-to-face meeting with someone you meet online.
3. Be careful if you receive e-mail messages or files from a stranger -- ALWAYS let an adult open them first. Sometimes web sites ask you to send in material for them to post online.
4. ALWAYS check with your parents before sending a photo or anything you've written to someone you don't know.
5. ALWAYS tell your parents if you see bad language or something that makes you feel uncomfortable online.
6. ALWAYS get your parents permission before clicking on links to other sites (including ads).
7. NEVER buy anything online or give out credit card information without your parent's permission.
8. READ the Privacy Policy.
