The site provides 13 parking spaces in the front adjacent to Building A and a gravel outdoor storage area with space for 16 fleet vehicles in the rear behind Building B. Access to the site is provided via two new proposed full movement driveways along Cranberry Road. Additional site improvements consist of concrete sidewalks and curbing, lighting, landscaping, three aboveground and two underground stormwater management basins, one new monument sign and a refuse enclosure on premises known as Block 182, Lot 4, 402 Cranberry Road.**

9. Applications before the Board:

a. Case No. SD-2997A / Larrabee Realty LLC

- i. Type: Amended Preliminary and Final Major Subdivision
- ii. Description: Application of Larrabee Realty, LLC as Applicant and Owner seeking Amended Preliminary and Final Major Subdivision approval to extend the 12 month time period conditioned in a prior Resolution to remove the existing dwelling by an additional 12 months to January 6, 2024 on premises known as Block 24, Lot 11.04, 72 Larrabee Boulevard.
- iii. Expiration Date: August 30, 2023

b. Case No. SD-3007 / Avet Brothers, LLC

THERE WILL BE NO TESTIMONY AT THIS HEARING. THIS APPLICATION IS BEING CARRIED TO SEPTEMBER 7, 2023 WITH NO FURTHER NOTICE.

- i. Minor Subdivision with Ancillary Variance Relief
- ii. Description: Application of Avet Brothers, LLC as Applicants and Owners seeking Minor Subdivision Approval with Ancillary Variance Relief to subdivide the existing lot into three new lots, 1.62 acres, 1.66 acres, and 1.62 acres in size, respectively. The larger existing dwelling, along with the inground pool and patio, would remain in the proposed middle lot, lot 2. The remainder of the existing improvements, including the second dwelling, driveway, and sheds would be removed. A new driveway would be constructed within Proposed Lot 2 and the dwelling would be expanded to include an attached two car garage. Proposed Lots 1 and 3 would each contain a two-story dwelling, with paved driveways from Fairfield Road. All three lots are also proposed to provide sidewalk, curb and street trees along Fairfield Road, new sanitary septic systems and public water service. The application is also proposing to collect stormwater via a new inlet located at the end of each driveway that would convey it to a new aboveground infiltration basin within the front yard of proposed Lot 3. The Applicant has indicated that an HOA would be created and would maintain the stormwater management facilities on premises known as Block 178, Lot 21, 275 Fairfield Road. This application was originally scheduled to be heard on May 18, 2023 when it was carried to June 15, 2023 with no further notice. On June 15, 2023 this application was carried to August 3, 2023 with no further notice.
- iii. Expiration Date: September 30, 2023

c. Case No. SD-2998 / Wadsworth Development LLC – Ramtown Estates

THERE WILL BE NO TESTIMONY AT THIS HEARING. THIS APPLICATION IS BEING CARRIED TO SEPTEMBER 7, 2023 WITH NO FURTHER NOTICE.

- i. Type: Whispering Woods Hearing for Preliminary Major Subdivision Approval
- ii. Description: Application of Wadsworth Development, LLC as Applicant and Owner seeking Preliminary Major Subdivision approval with Ancillary Bulk Variance Relief to subdivide the property into eleven (11) new lots for residential development, with one lot for the existing residence, nine (9) new single family residential lots and one (1) open space lot. All residential lots will be at least one (1) acre in size with frontage on a new cul-de-sac roadway with the exception of the existing residence which fronts on Ramtown-Greenville Road on premises known as Block 3, Lot 25, 238 Ramtown-Greenville Road.

d. Case No. SP-1107 / NJ Ruckle Realty, LLC

- i. **Type: Preliminary and Final Major Site Plan with Ancillary Variance and Design Waiver Relief**
- ii. **Description: Application of NJ Ruckle Realty, LLC as Applicant and Owner seeking Preliminary and Final Major Site Plan with Ancillary Variance and Design Waiver Relief to construct a 141,925 sf building addition that will result in a new total building area of 231,058 sf. The building will be utilized for warehouse and manufacturing and will also contain 13,769 sf for office space. All existing site features located on the northern portion of the property are to remain. Access to the site is provided by the existing access from Ruckle Avenue and by a proposed full movement driveway along Tinton Falls Road. The existing parking spaces in the northern corner of the property are to be restriped in place and will remain, and 38 new parking spaces are proposed along the southern side of the building addition, resulting in a total of 211 parking spaces. The building addition will also include 18 loading dock bays, and two drive in doors. Additional site improvements consist of concrete sidewalks and curbing, lighting, landscaping, an aboveground infiltration basin and three small-scale aboveground bio-retention basins, one new monument sign, three wall façade signs and two refuse enclosures. The building addition will also propose a new gravity sewer lateral to a force main that will tie into the existing sewer main within Ruckle Avenue, as well as a new water main that will extend from the existing main on-site and will provide looped service around the building on premises known as Block 230, Lot 13.01, 10 Ruckle Avenue.**
- iii. **Expiration Date: August 31, 2023**
