\*\*\*\*SIDE NOTE\*\*\*\* The reason for the three links is the type of file extension they contain. i.e. (.doc) vs (.pdf) vs (.html). Depending on your computer, some may or may not work based on the version of the program that you have. For instance, kindles sometimes do not like .pdf's and won't open them. So to combat that, we provide the different versions of the links.

PLEASE NOTE: If at 10:30 PM there remains one or more cases on the agenda other than the case in process, the board may elect to postpone the unheard cases to the following month to discuss outstanding correspondence.
