

**HOWELL TOWNSHIP CLEAN COMMUNITIES
COMMUNITY CLEANUP AND INTERNATIONAL
COASTAL CLEANUP
NOVEMBER 2, 2019**

Volunteers will meet at Town Hall at 9:30 am for registration. Groups will be given a designated road to clean conducive to the children's age along with gloves, bags, and safety vests. Groups will return at approximately 12:30 for a volunteer appreciation lunch.

This is a program that helps to keep our neighborhoods "clean and green". The Clean Communities Program is looking for scouts, families, sport teams, church groups, business'; anyone who would like to volunteer just a couple of hours to make a difference in their neighborhood. All are encouraged to get involved within their community to keep a "clean and green" neighborhood. We are cleaning roads that are heavily traveled and hit hard with trash. Clean Communities is also interested in businesses cleaning and possibly adopting a jug handle.

All interested parties should contact Laurie Dunwoody at Town Hall (938-4500 x2452) or by email ldunwoody@twp.howell.nj.us.

Please register by October 6th, 2019

For the Adopt-a-Road groups, please make arrangements with DPW to have supplies picked up after October 10th. Forms need to be filled out and returned to me. Supplies can be dropped off after your cleanup at town hall. Thanks for your cooperation.
