

HOWELL "ADOPT A FAMILY" HOLIDAY GIVE AWAY

The Township of Howell is sponsoring a Holiday Giveaway for the residents of Howell Township!

There is no more of an important time of year to help families who are less fortunate than during the holidays. This year, the Township of Howell is asking residents/businesses to consider adopting a family in need in our community. These are tough times and with the challenges of our local and national economy, more families are in need of our generosity.

Our goal is to assign each volunteer sponsor an "adopted" family in Howell to give that family's children (age toddlers to 17 years old) a brighter holiday. To assist us in accomplishing this goal, several local businesses, neighborhoods, residents and non-profit organizations and groups will be involved in this effort. However, we still need your support.

How can you help or contribute to this cause?

1. You can help by calling the Township of Howell to sign up to sponsor a Howell family. (732) 938-4500 ext. 2102
2. You can also help by purchasing gift certificates in any increment. (Walmart, Target, Five Below, Kohl's, Applebee's, movie tickets, or visa card)
3. Organize a neighborhood, office and/or store collection for families.
4. Support this event by informing your friends and family about the Give Away!
