

***This is a message from the Superintendent's Office of the Howell
Township Public Schools***

Dear Members of the Howell Township Community:

I hope that this email finds you well. As you may be aware, earlier today Governor Murphy announced that New Jersey State Public Schools will remain closed at least until Friday, May 15th. This additional four weeks will afford the Governor and his team time to assess the public health situation and will make a later determination on whether or not to reopen schools. In the meantime, the Howell Township School District will continue to provide instruction through our remote learning program. Please trust, as we learn more information, we will continue to keep our school community updated.

Please stay well,

*Joseph Isola
Superintendent of Schools
Howell Township Public Schools*
