

Howell Township Office of Emergency Management

Walmart, and Quest Diagnostics Announce Partnership to Expand Testing Capacity in New Jersey

Details regarding the testing site in Howell located at 4900 Route 9, Howell NJ

1. The sites are open Mondays, Wednesdays, and Fridays weekly from 7 a.m. to 9 a.m., weather permitting.
2. NOTE: The sites will be closed for Memorial Day, Monday, May 25, but will open Tuesday, May 26, from 7 a.m. to 9 a.m. and resume its regular schedule on Wednesday.
3. Testing is for adults who meet CDC and state and local guidelines on who should be tested, including first responders, health care providers, and others with symptoms of COVID-19, and those in high-risk groups without symptoms.
4. Individuals must be 18 years and older.
5. The testing sites will require an appointment through Quest's MyQuest™ online portal and app, www.MyQuestCOVIDTest.com, which will screen and schedule appointments for those individuals that meet medical eligibility for the testing sites.
6. Once on site, those being tested will need to wear a mask and stay in their cars for verification of eligibility criteria, ID check, and self-administered test. For the safety of all those on-site, the test site is not available to those who walk up.
7. The sites will use a self-administered nasal swab test that will allow those being tested to swab their own nose onsite while in their vehicles, observed by a trained medical volunteer to ensure the sample is taken correctly, and drop the sealed sample into a container on their way out of the drive-thru site.
8. Quest Diagnostics will handle processing test samples and communicating results to those tested and applicable departments of health.
9. Any questions regarding testing and appointments, please call Quest's dedicated COVID-19 line at 866-448-7719, Monday through Friday, 7 a.m. to 7 p.m. EST.
10. The sites will be staffed by Walmart pharmacists and associates.
11. While individuals who are tested are awaiting results, please follow [CDC guidelines](#) and take steps to help prevent the virus from spreading to people in your home and community.
