

HOWELL TOWNSHIP CLEAN COMMUNITIES

**Please volunteer for the Community Cleanup Day
Saturday, October 22, 2022**

Families, scout troops, sport teams, and businesses – All are welcome

**We will meet at Echo Lake
1225 Maxim Southard Road, Howell
9:30 am
Supplies will be provided.**

Lunch and awards will follow the cleanup 12pm

We are happy to be offering this event again. In the past years' this event was a huge success and we are expecting an even bigger turnout this year. Volunteers will meet at Echo Lake at 9:30 am for registration. Groups will be given a designated road to clean conducive to the children's age along with gloves, bags, and safety vests. Groups will return at approximately 12:00 for awards and lunch

This is a program that helps to keep our neighborhoods "clean and green". The Clean Communities Program is looking for scouts, families, sport teams, church groups, businesses; anyone who would like to volunteer just a couple of hours to make a difference in their neighborhood. All are encouraged to get involved within their community to keep a "clean and green" neighborhood. We are cleaning roads that are heavily traveled and hit hard with trash. Clean Communities is also interested in businesses for cleaning and possibly adopting a jug handle. All interested parties should contact Cindy Hudak at Public Works (732-938-4500 x2452) or by email dpwoffice@twp.howell.nj.us

**Please register by October 12th, 2022
For the Adopt-a-Road groups, please you may arrange to have supplies picked up earlier in the week. Thanks for your cooperation.**
